September 1st 2011

*Dear Member,*

*The East Coast Laying Up Supper and menu for this year. It will be held as usual at the Chelmsford Golf Club, Widford Road, Chelmsford, Essex, on Saturday, October 29th, from 6.30p.m.*

*We hope you can keep this date free and join Shirley, me and the regular Members for the BIG event outside the sailing programme.*

*You will meet some very interesting people and we talk about almost nothing but Tridents. The food is good, the surroundings excellent, easy to get to from all parts of the country, unlimited parking and the company is what you make it. If you are coming from a distance and do not wish to drive home The County Hotel is not too far (Telephone 01245 491911) and within walking distance is the Miami Motel (01245 269603), both very comfortable I'm told.*

*Being a golf club, the dress is smart with jackets and ties but not formal, no jeans and T-shirts. The price has been kept at £20.00 as last year.*

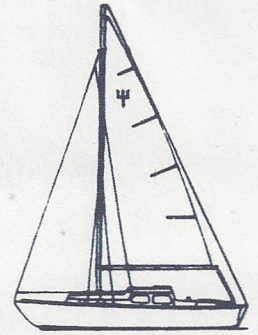

*Now this does take a bit of organising and I would appreciate an early reply especially if you do not want to join us, it helps with the catering and other arrangements.*

*Remember this is only called East Coast Laying up supper — all Trident Owners and friends from where-ever are welcome.*

*So, see you there!*

*Doug Waller*
